

## INTRODUCING SCHICK CDR WIRELESS™

**THE WORLD'S FIRST WIRELESS DIRECT  
DIGITAL RADIOGRAPHY SYSTEM.**

**GO DIGITAL WITH NO STRINGS ATTACHED.**

Now, for the first time ever, you can enjoy all the practice-building benefits of direct digital radiography without a sensor wire. Thanks to the new Schick CDR Wireless system, you'll not only enjoy a whole new level of freedom and flexibility at chairside, you get the most powerful digital technology available.

*Cable-free sensors allow enhanced mobility*

*Sensor instantly transmits images directly from mouth*

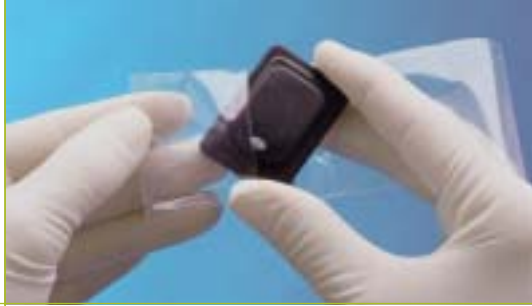

*Rated best image quality of any instant sensor system*

*Easy to learn and use*

*Complements existing CDR equipment*

*The latest digital technology backed with service and support from Patterson Dental*

CDR WIRELESS™

## WIRELESS CDR MAKES IT EASIER TO DO YOUR JOB WITHOUT UPSETTING YOUR ROUTINE.

The new Schick CDR Wireless sensors not only give you enhanced freedom of movement and simplified sensor placement, they give you all of the features and benefits you've come to expect from Schick CDR.

*Up to 80% less radiation than traditional film X-rays*

*No need to process images as with film and phosphor plates*

*No more harsh chemicals to handle*

*Better images for faster, more accurate diagnoses*

## COMPATIBLE WITH EXISTING SCHICK CDR SYSTEMS.

Current Schick owners can add CDR Wireless technology to their digital radiography system without changing the way they work.

*Complements existing CDR systems perfectly*

*Provides added convenience and mobility at chairside*

*Enhanced efficiency and ease-of-use benefit both dentists and patients*

*Each image is instantly and automatically transmitted to the computer via radio waves*

*No need to download, erase, or reset sensor between shots*

## THE INDUSTRY'S MOST ADVANCED TECHNOLOGY, BACKED BY THE MOST TRUSTED NAME IN DENTISTRY.

Whether you choose our wireless or conventional CDR systems, you're always in good hands with the experts from Schick and Patterson Dental.

*Every Schick CDR system is installed and serviced by Patterson Dental*

*Comprehensive training provided by Patterson professionals*

*Compatible with virtually all practice management software, including EagleSoft from Patterson*

CDR WIRELESS™
